Dear Dr. Buzard:

As you know my corneas were terribly damaged several years ago as a result of another doctor's inadequacy and I want to express my heartfelt gratitude and sincere appreciation for restoring my vision to the point where at this stage I don't even require glasses. From the very beginning when I first consulted you, you gave me hope and reassurance that something could be done to repair the damage. After two cornea transplants and two cataract operations I am now a new woman!

You were truly a Godsend in my life and I can't thank you enough.

I would also like to take this opportunity to thank your entire staff for the excellent service, friendliness and professionalism they've displayed during my many visits

Thank you so very much.

Eternally grateful,
